Non-Profit Standards of Excellence launched in Puerto Rico

Friday, 25 September 2009 09:10

During the 6th Forum of Institutional Excellence of the Third Sector in San Juan, Puerto Rico, Dr. Flordeliz Serpa, President and CEO of Non-Profit Evaluation & Resource Center, Inc., presented the International Declaration of Fundamental Principles of Standards of Excellence for Non-Profit Organizations. The Declaration was proclaimed and unanimously approved by those attending the forum. It is hoped that the standards of excellence will succeed in fostering integrity, transparency and accountability among non-profit organizations. **More info**
